Following summarization of recent message dispatched by this Headquarters is provided for your information:

1. (S) Recent message traffic between this and higher headquarters has resulted in DA authorizing assignment of the FBIS Okinawa Bureau to USARYIS. 2. (U) USARYIS Brief of Policy 210-15, dated 1 Oct 71, is quoted for information of ALCON:

reflect new designation indicated in Para. 2. For your information, GOJ Prepcom Counselor Murazumi has asked, apparently on instruction, that language used in Facilities and Areas List A, published at time of Reversion Agreement signing, be used on signs; namely, Bolo Point Army Annex and Army Housing Annex in case of Kadena housing.

5. (U) No press release is planned concerning this action. However, in response to queries questioning the assignment of FBIS to USARYIS, this HQ proposes to respond that FBIS is a DOD sponsored activity and is being further assigned to USARYIS to provide more efficient administrative support. Prior support of this nature was provided by all military services on Okinawa. This action consolidates management of administrative support into one headquarters.

6. (U) In view of public relations aspects of this action, it is recommended as a minimum that COMUSJAPAN, AMEMB TOKYO, CINCPAC and DA be informed soonest, specifically those information aspects in Para. 5.
